

Board Meeting 12-2

Mark, Bruce, Shawn, Dave, John, Jeff, Denis, Kevin, Steve L., Bill, Duane, Austin, Keaton

Milfoil Study

- Awarded \$50k for milfoil removal study
 - Study effectiveness of milfoil removal AND changes in fish assemblage
- Herbicide likely method- granular herbicide seems most effective
- Ok from City of Redmond for test site in front of Idylwood
- Second site in front of potential public park in Bellevue, also have thumbs up

Fry Trapping

- Still happening, low density activity, pretty safe
- Starts first wknd in March
- Start getting that set up after holidays, get volunteers

Clam Dig- Postpone to Jan or Feb when pandemic (hopefully) tapers down

New Member- Larry :)

- First responder, given free membership by national

Next Wednesday- "Fishing the Apocalypse" online presentation

- Everyone invite ppl!!!
- Share event
- Want as many ppl as possible

Hats + Shirts

- Sasha ordered

January - nothing planned

- Need speakers
- Steelhead recovery? Bill knows someone

\$19,000 in bank- should get more \$ from recent donations

15 new members recently

- 3 women
- Denis will send welcomes
- Denis sent emails to ppl whose memberships are about to expire

Ducks Unlimited online auction - Duane

- Went ok, not as good as in-person
- Some other organizations' events have been disastrous
- Possible virtual platform for future events
