

Board Meeting 10-6-2021

Mark, Jeff J, Judy, Bill, Steve L, Jeff N, Geddy, Shawn, Kevin, Larry, Bruce, Austin, Dave, Rebecca

Grant Proposal- Jeff

- Grant for salmon watchers + more RSIs lower in the system, eventually with kokes
- Someone from biotech co (Cepheid, Bothell) wants to set up activity for employees
 - Some kind of fun event for employees
 - Help everyone understand why important not to pollute creeks
 - Idea: big family day, several stations, different topics
 - Outdoors for covid reasons
 - Whale-salmon connection?
 - Food truck at the end, Bothell offering car wash certificates to promote storm water message
 - Ask Dan about stormwater exhibit?
 - Talk about frogs?
 - Aggressive schedule, hoping to have it while salmon still in N Crk
 - Include salmon watching as activity
 - Fri afternoon 10/22
 - Promote TU, increase visibility
 - More participation in N end

Dave's update

- Intern!
 - Help with social media + building frog traps
- Milfoil removal
 - Completed at Lk Sammamish test sites
 - Completed SCUBA surveys
 - Invasive fish disappeared after milfoil removed
 - Scaling up means of milfoil removal?
 - Diver assisted dredging not scalable
 - Snohomish co uses granular herbicide to target elodea
 - Year round application recommended by WDFW
 - Follow up with spot treatment
- Koke spawning surveys
 - Expanded this year
 - Should start seeing fish from supplementation program
 - Thermally marked
- Received funding for Tibbetts sediment ponds study
 - Invasive frogs
- Koke adult trapping
 - Not sure if county wants volunteers
- Working with Judy to develop programs for schools

- Possibility of integrating with hatchery and Tribe?
- Need to get stuff out of Dave's office. Possibly increase storage space?

Film update- Judy

- Should have trailer by November mtg, very close
- Need follow up interview
- November 13-14 shooting in OR
 - Oregon Council and Clackamas Chapter sponsoring
- Still seeking funding
- Anyone have Microsoft connections?
 - Giving month

Spawning Grounds

- Nils editing it down to 30 min program for PBS
- Resuming screening events when possible
 - Old mtg place now a theater, opening soon

NEW MEETING PLACE!!! Mustard Seed in Newport Hills

- Only room for 24, still need a bigger place

Run With Kokanee in 2 wks!

Perchathon 11/6

- Need volunteers
- Not yet listed on WDFW calendar, need to contact WDFW
- Muckleshoots involved this year!
- Bruce getting soldiers to participate, help out
 - Add separate entry for soldiers/disabled vets, waive entry fee

Fly Fishing Film Tour

- Likely in Feb, depends on covid

State Park parking passes for UW Bothell students?

- Buy 12 passes
- Motion- passed

Mark staying Pres despite term limit. Due to covid messing up organization

Need to staff committees

Keaton- still working on Cedar R sign project

- Hoping to get installed in Nov or Dec

Salmon watchers

- Received polarized glasses! :)
- Lots of participants
- Seeing lots of salmon
- Judy- getting students out on N Crk, field trip

Snoqualmie Ancestral Land Movement

- We live here, they've lived here for way longer
 - Encourage ppl to take care of their ancestral lands
 - Tribal perspective
- Get McKenna to give presentation on this

Non-motorized Perchathon moved to 4/9

- Lack of interest for 11/13

Invasive frog update- Rebecca

- Permitting in progress
- Working on training manual

Hatchery cameras up and working- Larry

\$29500 in bank- Kevin
